

Please invest in an MVA Student's future.....

Many students would like to have the privilege to attend Mount Vernon Academy and need your support as a work partner. MVA is willing to provide a job that pays minimum wage. However, a student can only work 40 to 60 hours a month so they still need help with the cost of tuition. It would be greatly appreciated if you could become a work partner with a student and help them have a Seventh-day Adventist Education by matching their work hours.
