

Please invest in my future . . .

I really want to attend Mount Vernon Academy! The program is just what I need to get the education I want and to mature in my Christian faith.

My parents are doing everything they can to make it possible. MVA is willing to create a job for me and pay me \$5-6.00 per hour, the nonprofit percentage of minimum wage. They say I can work 40-60 hours per month in the work/study program.

I am appealing to you because I need additional tuition dollars.

Will you make a difference in my life by sending a selected amount to MVA each month toward my tuition costs?

You can actually increase the amount I make per hour by selecting one of the following levels of support.

- \$.25. per hour = \$10.00 per month
- \$.50 per hour = \$20.00 per month
- \$.75 per hour = \$30.00 per month
- \$ 1.00 per hour = \$40.00 per month
- \$ 1.50 per hour = \$60.00 per month
- \$ 2.00 per hour = \$80.00 per month
- \$ _____ per month (you can fill in the flat amount)

***I am willing
to work!***
